

# Funding Requested for Local Projects: Fiscal Year 2024

**Recipient:** City of Auburn Hills

**Project Purpose:** The funding would be used to control invasive phragmites in order to help improve wildlife habitat and improve flood protections in the city of Auburn Hills.

**Location:** Auburn Hills, MI

**Amount Requested:** \$45,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** Brookfield Township

**Project Purpose:** The funding would be used to provide adequate space for offices for the Fire Department and Township officials, Fire Department apparatus and equipment, and fire department training, as well as a community space for elections compliant with the Americans with Disabilities Act.

**Location:** Brookfield Township, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** Alpena Community College

**Project Purpose:** The funding would be used to support construction of student housing on the main campus of Alpena Community College.

**Location:** Alpena, MI

**Amount Requested:** \$1,750,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** Central Michigan University

**Project Purpose:** The funding would be used to support distance education technology, which will be used to bring healthcare education into secondary school classrooms located in rural areas of Bay, Isabella, Midland, and Saginaw counties.

**Location:** Mount Pleasant, MI

**Amount Requested:** \$995,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** City of Owosso

**Project Purpose:** The funding would be used to support the construction of a new public safety building to replace the current building.

**Location:** Owosso, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** City of Rockford

**Project Purpose:** The funding would be used to support the expansion of the Krause Memorial Library to better serve the growing population of the region.

**Location:** Rockford, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** City of Saint Johns

**Project Purpose:** The funding would be used to support the renovation of the Briggs District Library to reflect current and future use patterns and to be able to better serve the public.

**Location:** Saint Johns, MI

**Amount Requested:** \$659,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** Ionia Community Library

**Project Purpose:** The funding would be used to support the renovation of the former downtown Ionia Mercantile Bank building and repurpose it to support the new Ionia Community Library.

**Location:** Ionia, MI

**Amount Requested:** \$2,100,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** City of Ironwood

**Project Purpose:** The funding would be used to support the replacement of the city of Ironwood's current fire engine.

**Location:** Ironwood, MI

**Amount Requested:** \$613,000

**Subcommittee:** Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

**Recipient:** Grand Valley State University

**Project Purpose:** This funding will allow GVSU Annis Water Resources Institute, along with local partners, to address critical information needs driven by local end-users and provide educational, training, and stewardship opportunities to local stakeholders.

**Location:** Muskegon, MI

**Amount Requested:** \$500,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Utica

**Project Purpose:** This funding will allow Utica to purchase new police body-worn and in-car cameras as video evidence has become increasingly important in improving transparency of police operations.

**Location:** Utica, MI

**Amount Requested:** \$153,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Milford Police Department

**Project Purpose:** This funding will allow each Milford police officer to be equipped with a body-worn camera, each patrol vehicle to be equipped with an in-car camera to improve transparency, and for the implementation of a de-escalation program.

**Location:** Milford, MI

**Amount Requested:** \$161,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Auburn Hills

**Project Purpose:** This funding will allow for an improved security infrastructure for the City of Auburn Hills.

**Location:** Auburn Hills, MI

**Amount Requested:** \$70,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Romeo Police Department

**Project Purpose:** This funding will allow for an upgrade of the 911 phone system to bring it into compliance with state regulations and provide the surrounding community with safety and security.

**Location:** Romeo, MI

**Amount Requested:** \$75,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Charter Township of Clinton

**Project Purpose:** This funding will allow for the installation of traffic cameras at major intersections that will prove helpful in crime response.

**Location:** Clinton Township, MI

**Amount Requested:** \$178,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Muskegon

**Project Purpose:** This funding will allow for the procurement of a modular vehicle barrier system for use by Muskegon's Department of Public Safety during the over 100 special events held yearly in the community.

**Location:** Muskegon, MI

**Amount Requested:** \$190,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Van Buren County Sheriff's Office

**Project Purpose:** This funding will allow for the purchase of DNA processing technology to vastly improve the speed with which DNA connected to alleged criminal activity can be analyzed in order to improve public safety.

**Location:** Van Buren County, MI

**Amount Requested:** \$576,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Inkster

**Project Purpose:** This funding will allow for the replacement of the City of Inkster's current city-wide Emergency Siren Warning System with an improved warning system.

**Location:** Inkster, MI

**Amount Requested:** \$272,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Michigan Department of Civil Rights

**Project Purpose:** This funding will allow for the training of communities and Michigan residents regarding the techniques and skills needed to de-escalate and reach peaceful solutions.

**Location:** Detroit, MI

**Amount Requested:** \$420,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Calhoun County, Michigan

**Project Purpose:** This funding will allow for the upgrading of security and communications systems at the correctional facility and justice complex.

**Location:** Calhoun County, MI

**Amount Requested:** \$500,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Farmington Hills Police Department

**Project Purpose:** This funding will allow officers to receive training regarding methods by which vehicle pursuits may be safely ended.

**Location:** Farmington Hills, MI

**Amount Requested:** \$65,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Litchfield

**Project Purpose:** This funding will allow the City of Litchfield to convert to 800 MHz radios, enhancing officer safety and communication reliability.

**Location:** Litchfield, MI

**Amount Requested:** \$52,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Westland

**Project Purpose:** This funding will allow the City of Westland Police Department to help improve public safety by replacing radios that have reached their end of life and therefore better communicate both inside and outside the Department.

**Location:** Westland, MI

**Amount Requested:** \$32,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Michigan Technological University

**Project Purpose:** This funding will be used to support research and standards development for the performance of Autonomous Driving Systems in inclement winter weather at Michigan Technological University.

**Location:** Houghton, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Great Lakes Commission

**Project Purpose:** This funding will ensure states and the federal government are coordinated and communicating on the implementation of important federal and regional programs for the Great Lakes region and able to track progress toward shared goals.

**Location:** Ann Arbor, MI

**Amount Requested:** \$500,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Auburn Hills

**Project Purpose:** This funding will help improve public safety by allowing ALPRs on public roads within the city to capture vehicle license plates as vehicles pass by; plate numbers are then compared against the National Crime Information Center (NCIC) “hotlist” that is available to law enforcement agencies.

**Location:** Auburn Hills, MI

**Amount Requested:** \$55,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Oakland Community College

**Project Purpose:** This funding will provide cameras to assist OCC’s officers in ensuring campus safety.

**Location:** Bloomfield Hills, MI

**Amount Requested:** \$867,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of East Lansing

**Project Purpose:** This funding will provide portable modular vehicle barricades, security cameras, and other security upgrades.

**Location:** East Lansing, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** City of Eastpointe

**Project Purpose:** This funding will provide the secure technologies and communications systems needed to operate a secure Court and Police Department facility.

**Location:** Eastpointe, MI

**Amount Requested:** \$820,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Michigan State University

**Project Purpose:** This funding will support research to improve measurement and tracking of Per- and poly-fluoroalkyl substances (PFAS) in the environment.

**Location:** East Lansing, MI

**Amount Requested:** \$1,350,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Northwestern Michigan College

**Project Purpose:** This funding will support the construction of a learning and research center as well as Discovery Pier improvements as part of Northwestern Michigan College's Great Lakes Water Studies Institute.

**Location:** Traverse City, MI

**Amount Requested:** \$3,038,000

**Subcommittee:** Commerce, Justice, Science, and Related Agencies

**Recipient:** Western Michigan University

**Project Purpose:** Project CleanMI's main goal is to develop materials and modules for an efficient direct air capture of CO<sub>2</sub>, and design hubs and collection pipe-networks to transport the captured CO<sub>2</sub> within the saline reservoirs and/or depleted oil and gas fields in Michigan.

**Location:** Kalamazoo, MI

**Amount Requested:** \$2,250,000

**Subcommittee:** Energy and Water Development

**Recipient:** City of Grand Rapids

**Project Purpose:** The City of Grand Rapids (City) would like to install a 1 to 4-megawatt solar array as a pilot project on a 190-acre closed and fully remediated superfund site – the Butterworth Landfill.

**Location:** Grand Rapids, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Energy and Water Development

**Recipient:** U.S. Army Corps of Engineers

**Project Purpose:** The funding would be used by the U.S. Army Corps of Engineers to complete a feasibility study, or general investigation, into potential harbor infrastructure improvements in the Menominee-Marquette Harbor waterway.

**Location:** Detroit, MI

**Amount Requested:** \$700,000

**Subcommittee:** Energy and Water Development

**Recipient:** U.S. Army Corps of Engineers

**Project Purpose:** The project will authorize the Army Corps to conduct a feasibility study for methods to prevent flooding in the region.

**Location:** Detroit, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Energy and Water Development

**Recipient:** U.S. Army Corps of Engineers

**Project Purpose:** This project will replace lead service lines throughout the city of Detroit, a significantly overburdened and disadvantaged community.

**Location:** Detroit, MI

**Amount Requested:** \$5,000,000

**Subcommittee:** Energy and Water Development

**Recipient:** Northern Michigan University

**Project Purpose:** This funding will create a Security Operations Center to serve as a community-based cybersecurity resource for small businesses and entrepreneurs in the Upper Peninsula.

**Location:** Marquette, MI

**Amount Requested:** \$1,145,000

**Subcommittee:** Financial Services and General Government

**Recipient:** Michigan Technological University

**Project Purpose:** This funding will create an accelerator to support research and jobs related to advanced materials and critical minerals used in the automotive and defense industries.

**Location:** Houghton, MI

**Amount Requested:** \$250,000

**Subcommittee:** Financial Services and General Government

**Recipient:** City of Alma

**Project Purpose:** This funding will go toward the creation of a small business hub to support entrepreneurs in key sectors of the Mid-Michigan economy.

**Location:** Alma, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Financial Services and General Government

**Recipient:** The Charter Township of Van Buren

**Project Purpose:** This funding will support instruction for small businesses regarding business planning, micro-lending, access to capital, and workforce development.

**Location:** Van Buren Township, MI

**Amount Requested:** \$60,000

**Subcommittee:** Financial Services and General Government

**Recipient:** Central Michigan University,

**Project Purpose:** This funding will support small business development programming in Mid-Michigan communities.

**Location:** Midland, MI

**Amount Requested:** \$579,000

**Subcommittee:** Financial Services and General Government

**Recipient:** Village of Capac

**Project Purpose:** This funding will support the creation of an innovation center for small business development, entrepreneurial start-up support, and workforce development.

**Location:** Capac, MI

**Amount Requested:** \$271,000

**Subcommittee:** Financial Services and General Government

**Recipient:** Michigan State University

**Project Purpose:** This funding will support the digitization and accessibility of early Michigan public television for research and educational purposes.

**Location:** East Lansing, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Financial Services and General Government

**Recipient:** Charter Township of Chocolay

**Project Purpose:** This funding will support a flood mitigation feasibility study for the Chocolay River.

**Location:** Marquette, MI

**Amount Requested:** \$112,000

**Subcommittee:** Homeland Security

**Recipient:** City of Dearborn Heights

**Project Purpose:** This funding will support flood mitigation by improving capacity within Ecorse Creek and the movement of water downstream.

**Location:** Dearborn Heights, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Homeland Security

**Recipient:** Charter Township of East China

**Project Purpose:** This funding will support flood mitigation by relocating and elevating pump station controls along the Belle River.

**Location:** East China Township, MI

**Amount Requested:** \$315,000

**Subcommittee:** Homeland Security

**Recipient:** County of Berrien

**Project Purpose:** This funding will support the construction of an emergency operations center and 911 Communications Center for Berrien County.

**Location:** Saint Joseph, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Homeland Security

**Recipient:** Charter Township of Shelby

**Project Purpose:** This funding will support the construction of an emergency operations center for the Charter Township of Shelby.

**Location:** Shelby Township, MI

**Amount Requested:** \$4,000,000

**Subcommittee:** Homeland Security

**Recipient:** City of Westland

**Project Purpose:** This funding will support the creation of an emergency operations center in Westland, Michigan.

**Location:** Westland, MI

**Amount Requested:** \$98,000

**Subcommittee:** Homeland Security

**Recipient:** Michigan State University

**Project Purpose:** This funding will support the purchase of equipment for and the renovation of the Michigan State University emergency operations center.

**Location:** East Lansing, MI

**Amount Requested:** \$750,000

**Subcommittee:** Homeland Security

**Recipient:** Huron-Clinton Metropolitan Authority

**Project Purpose:** This funding will support the replacement of key components of the Lake St. Clair Metropark electrical grid to improve its safety, reliability, and resiliency.

**Location:** Brighton, MI

**Amount Requested:** \$1,420,000

**Subcommittee:** Homeland Security

**Recipient:** City of Dearborn Heights

**Project Purpose:** The funding will be used to support the replacement of existing water meters with new, technology-enabled systems that will help the City's water department become more efficient and enhance the delivery of services to residents.

**Location:** Dearborn Heights, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Delta Charter Township

**Project Purpose:** This funding will be used to add a new treatment process to the Delta Water Resource Recovery Facility so that it can meet updated state standards.

**Location:** Lansing, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Center Line

**Project Purpose:** This funding would be used for high priority sewer repair projects in the City of Center Line.

**Location:** City of Center Line, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Yankee Springs Township

**Project Purpose:** This funding would be used for infrastructure improvements of the Township's drinking water system, improving water quality and reliability of the water system.

**Location:** Middleville, MI

**Amount Requested:** \$150,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Midland

**Project Purpose:** This funding would be used for the purchase and installation of an onsite emergency power generator and associated switchgear, which will enable the pump station to continue providing drinking water during a power outage.

**Location:** City of Midland, MI

**Amount Requested:** \$500,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Gladwin

**Project Purpose:** This funding would be used to address a series of needed improvements at the City of Gladwin's wastewater treatment plant.

**Location:** Gladwin, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Auburn Hills

**Project Purpose:** This funding would be used to address deficiencies in the City of Auburn Hill's storm water infrastructure.

**Location:** City of Auburn Hills, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Charter Township of Oxford

**Project Purpose:** This funding would be used to assist Oxford Township in eliminating the need for individual septic systems in the Brabb-Dewey subdivision, which will decrease the likelihood of wastewater leaking and contaminating surface waters and groundwater.

**Location:** Oxford, MI

**Amount Requested:** \$2,061,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Ann Arbor

**Project Purpose:** This funding would be used to assist the City of Ann Arbor in repairing the Barton Pond Embankment, which creates an impoundment along the Huron River that serves as the City of Ann Arbor's primary water supply.

**Location:** Ann Arbor, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Escanaba

**Project Purpose:** This funding would be used to assist the City of Escanaba with water utility replacements.

**Location:** City of Escanaba, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Gibraltar

**Project Purpose:** This funding would be used to assist the City of Gibraltar in their efforts to remove lead service lines from their drinking water system.

**Location:** Gibraltar, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Grand Blanc

**Project Purpose:** This funding would be used to assist the City of Grand Blanc in replacing water mains in the City's water distribution system.

**Location:** Grand Blanc, MI

**Amount Requested:** \$2,044,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Southgate

**Project Purpose:** This funding would be used to assist the City of Southgate in installing pressure relief valves on its relief sewer, protecting homes on the northeastern side of the city from property damage caused by flooding events.

**Location:** Southgate, MI

**Amount Requested:** \$450,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Ludington

**Project Purpose:** This funding would be used to assist with the closure of the sludge storage pond at the Ludington Wastewater Treatment Facility in response to PFAS contamination and other environmental concerns.

**Location:** Ludington, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Mayville

**Project Purpose:** This funding would be used to clean, reshape, and line two existing lagoon cells.

**Location:** City of Mayville, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Charter Township of Caledonia

**Project Purpose:** This funding would be used to consolidate the Caledonia Township Water System with the City of Grand Rapids Water System, ensuring a supply of safe and high-quality drinking water for residents.

**Location:** Charter Township of Caledonia, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Charter Township of Fenton

**Project Purpose:** This funding would be used to create public access to safe drinking water for three municipalities: Fenton Township, the City of Linden, and Mundy Township.

**Location:** Fenton, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Tuscarora Township

**Project Purpose:** This funding would be used to expand the existing commercial sewer system in Tuscarora.

**Location:** Tuscarora, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of St. Clair

**Project Purpose:** This funding would be used to extend the water main servicing the City of St. Clair's industrial park and to acquire and install a water booster pump station.

**Location:** St. Clair, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Ira Township

**Project Purpose:** This funding would be used to extend water and sewer service along the Marine City Highway Corridor.

**Location:** Ira Township, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Ira Township

**Project Purpose:** This funding would be used to facilitate a water connection in order to maintain water pressure and secure water supply.

**Location:** Ira Township, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Grand Ledge

**Project Purpose:** This funding would be used to improve the City of Grand Ledge's wastewater treatment plant and sanitary sewer system.

**Location:** Grand Ledge, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Village of Almont

**Project Purpose:** This funding would be used to install a backup well and replace lead service lines in the Village of Almont.

**Location:** Village of Almont, MI

**Amount Requested:** \$1,420,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Mt. Pleasant

**Project Purpose:** This funding would be used to install a deep well outside the retired municipal landfill utilized by Mt. Pleasant, providing drinking water to the community.

**Location:** City of Mt. Pleasant, MI

**Amount Requested:** \$75,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Grosse Ile Township

**Project Purpose:** This funding would be used to install a water main and replace an existing transmission line that is undersized.

**Location:** Grosse Ile Township, MI

**Amount Requested:** \$748,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Cheboygan

**Project Purpose:** This funding would be used to install new sewers in the City of Cheboygan, replacing aging, collapsed sewers.

**Location:** City of Cheboygan, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Village of Almont

**Project Purpose:** This funding would be used to make improvements to the wastewater treatment plant in the Village of Almont.

**Location:** Village of Almont, MI

**Amount Requested:** \$760,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Martin Sanitary Diversion Drainage District

**Project Purpose:** This funding would be used to pursue sewer separation within the combined sewer district within St. Clair Shores.

**Location:** St. Clair Shores, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Village of Dundee

**Project Purpose:** This funding would be used to reduce the amount of untreated sanitary sewage, nutrients, and contaminants discharged to the River Raisin and Lake Erie.

**Location:** Dundee, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Great Lakes Water Authority

**Project Purpose:** This funding would be used to reduce the likelihood of sewer flooding events in Wayne and Oakland Counties by making improvements to the Northwest Interceptor sewer that flows from Great Lakes Water Authority's Water Resources Recovery Facility.

**Location:** Detroit, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** County of Oakland

**Project Purpose:** This funding would be used to rehabilitate over 34,000 lineal feet of sanitary sewer.

**Location:** County of Oakland, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Waterford Charter Township

**Project Purpose:** This funding would be used to replace a water main in Waterford Township.

**Location:** Waterford Charter Township, MI

**Amount Requested:** \$1,200,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Bay City

**Project Purpose:** This funding would be used to replace all historic exterior doors and windows in the historic 3CM James Clements Airport Terminal Administration Building in Bay City, which is on the National Register of Historic Places and currently suffers from significant leakage during wet weather events.

**Location:** Bay City, MI

**Amount Requested:** \$147,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Frankfort

**Project Purpose:** This funding would be used to replace an old watermain on Main Street in the City of Frankfort.

**Location:** City of Frankfort, MI

**Amount Requested:** \$300,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Eastpointe

**Project Purpose:** This funding would be used to replace lead service lines in the City of Eastpointe.

**Location:** Eastpointe, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Marlette

**Project Purpose:** This funding would be used to replace lead service lines in the City of Marlette.

**Location:** City of Marlette, MI

**Amount Requested:** \$748,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Village of Bellaire

**Project Purpose:** This funding would be used to replace lead service lines in the Village of Bellaire.

**Location:** Village of Bellaire, MI

**Amount Requested:** \$2,500,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Lansing Board of Water & Light

**Project Purpose:** This funding would be used to replace the water main on Michigan Avenue in Lansing.

**Location:** Lansing, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Port Huron Charter Township

**Project Purpose:** This funding would be used to replace water mains in Port Huron Charter Township that are too small and near the end of their useful life, increasing the water system's reliability and quality.

**Location:** Port Huron, MI

**Amount Requested:** \$2,275,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Delta Charter Township

**Project Purpose:** This funding would be used to support Phase 2 of the Delta Township's Water Resource Recovery Facility (WRRF) Major Capital Improvement Project.

**Location:** Lansing, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Saline

**Project Purpose:** This funding would be used to support a comprehensive rehabilitation of its wastewater treatment plant, improving effluent water quality and protecting Michigan's surface waters.

**Location:** Saline, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Detroit

**Project Purpose:** This funding would be used to support a partnership between the City of Detroit, American Forests, and DTE Energy to add 75,000 trees within the city, increasing air quality in addition to reducing the stresses on residents and the natural environment caused by the urban heat island affect.

**Location:** Detroit, MI

**Amount Requested:** \$1,658,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Grand Haven

**Project Purpose:** This funding would be used to support efforts to address legacy environmental contamination of an island that formerly was home to its municipally-owned coal power plant.

**Location:** Grand Haven, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Great Lakes Water Authority

**Project Purpose:** This funding would be used to support improvements to the Great Lakes Water Authority's wastewater conveyance system, helping to minimize the risks of flooding and combined system overflows during wet weather.

**Location:** Detroit, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Marysville

**Project Purpose:** This funding would be used to support infrastructure improvements to the City of Marysville's water treatment plant and distribution system.

**Location:** Marysville, MI

**Amount Requested:** \$1,278,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Hamtramck

**Project Purpose:** This funding would be used to support the City of Hamtramck in replacing lead service lines in the city.

**Location:** Hamtramck, MI

**Amount Requested:** \$2,400,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Burtchville Township

**Project Purpose:** This funding would be used to support the design and construction of an expansion of the water system in order to provide potable water to all residents of Burtchville Township.

**Location:** Burtchville, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Village of Hesperia

**Project Purpose:** This funding would be used to support the reduction and/or removal of PFAS from one of the Village of Hesperia's drinking wells.

**Location:** Hesperia, MI

**Amount Requested:** \$500,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Oakland County Clinton River Water Resource Recovery Facility Drain Drainage District

**Project Purpose:** This funding would be used to support the replacement of critical components of the Clinton River Water Resources Recovery Facility.

**Location:** Waterford Township, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Village of Milford

**Project Purpose:** This funding would be used to upgrade the UV disinfection system at the wastewater treatment plant in Milford.

**Location:** Village of Milford, MI

**Amount Requested:** \$1,400,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Adrian

**Project Purpose:** This funding would be used to upgrade treatment methods for surface water from Lake Adrian.

**Location:** City of Adrian, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Dearborn Heights

**Project Purpose:** This funding would be used to work on addressing compliance issues related to combined sewer overflows.

**Location:** City of Dearborn Heights, MI

**Amount Requested:** \$2,750,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Grand Rapids

**Project Purpose:** This funding would be used to work toward a comprehensive stormwater management system for Butterworth Street.

**Location:** City of Grand Rapids, MI

**Amount Requested:** \$500,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Pokagon Band of Potawatomi Indians

**Project Purpose:** This funding would be used to work toward connecting tribal properties to the City of Dowagiac's water and sanitary sewer service, enabling existing and planned tribal businesses to connect to the water and sewer systems.

**Location:** Dowagiac, MI

**Amount Requested:** \$790,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** City of Adrian

**Project Purpose:** This funding would be used to work toward eliminating sanitary sewer overflows in the City of Adrian sewer system.

**Location:** City of Adrian, MI

**Amount Requested:** \$1,200,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Gerrish Lyon Utility Authority

**Project Purpose:** This funding would be used to work toward providing a sanitary sewer system to Higgins Lake.

**Location:** Roscommon, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Downriver Utility Wastewater Authority

**Project Purpose:** This funding would be used to work toward replacement of the Ultraviolet Disinfection System within the Downriver Utility Wastewater Authority, which will lead to lower electrical operating costs.

**Location:** Wayne County, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Interior, Environment, and Related Agencies

**Recipient:** Nottawaseppi Huron Band of the Potawatomi

**Project Purpose:** This funding will create a health clinic to include medical exam rooms, physical therapy services, behavioral health counseling, and a pharmacy.

**Location:** Fulton, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Eaton Regional Education Service Agency

**Project Purpose:** This funding will prepare students from local K-12 schools for careers in the aviation industry.

**Location:** Charlotte, MI

**Amount Requested:** \$340,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** City of Dearborn

**Project Purpose:** This funding will provide education, supplies, and other resources regarding prenatal health and newborn care to support expectant and new mothers in Dearborn.

**Location:** Dearborn, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** University of Michigan

**Project Purpose:** This funding will provide equipment and helicopters for Michigan's Survival Flight program that provides rapid transport of critically ill patients.

**Location:** Howell, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Michigan State University

**Project Purpose:** This funding will provide multi-day trainings for law enforcement agencies regarding cybercrime, investigative methods, and resources for victims.

**Location:** East Lansing, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Oakland Community College

**Project Purpose:** This funding will provide simulation technology and equipment to support the training of healthcare students.

**Location:** Southfield, MI

**Amount Requested:** \$332,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Jackson College

**Project Purpose:** This funding will provide simulation technology and equipment to support the training of healthcare students.

**Location:** Jackson, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Kent Intermediate School District

**Project Purpose:** This funding will support STEM education for students in area K-12 schools.

**Location:** Grand Rapids, MI

**Amount Requested:** \$500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Muskegon Area Intermediate School District

**Project Purpose:** This funding will support a Design Lab for students in grades six through ten to teach career and technical education skills.

**Location:** Muskegon, MI

**Amount Requested:** \$750,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Grand Valley State University

**Project Purpose:** This funding will support a collaboration with area employers and economic development entities to establish a technology workforce for West Michigan.

**Location:** Allendale, MI

**Amount Requested:** \$2,500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Grand Valley State University

**Project Purpose:** This funding will support aging in place (AIP) programming in West Michigan via multiple health programs at Grand Valley State University.

**Location:** Grand Rapids, MI

**Amount Requested:** \$575,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Henry Ford College

**Project Purpose:** This funding will support career programming and training needs in southeast Michigan.

**Location:** Dearborn, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Macomb Community College

**Project Purpose:** This funding will support financial assistance for students and the hiring of a case manager for veterans and adult learners at MCC.

**Location:** Macomb County, MI

**Amount Requested:** \$1,389,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** LARA Bureau of Fire Services

**Project Purpose:** This funding will support fire safety education for elementary school students throughout Michigan.

**Location:** Lansing, MI

**Amount Requested:** \$210,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** West Bloomfield Parks and Recreation Commission

**Project Purpose:** This funding will support programs and resources for older adults to live independently and participate fully in their community.

**Location:** West Bloomfield Township, MI

**Amount Requested:** \$43,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** North Central Michigan College

**Project Purpose:** This funding will support technology improvements including cybersecurity enhancements, devices for nursing students, and digital textbook access to support student success.

**Location:** Petoskey, MI

**Amount Requested:** \$100,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** St. Clair County Community College

**Project Purpose:** This funding will support the acquisition of equipment for St. Clair County Community College's sciences curriculum.

**Location:** Port Huron, MI

**Amount Requested:** \$500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Michigan State University

**Project Purpose:** This funding will support the construction of a building to house public health research and education in Flint, Michigan.

**Location:** Flint, MI

**Amount Requested:** \$1,100,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Bay Mills Indian Community

**Project Purpose:** This funding will support the construction of a long-term care and rehabilitation center.

**Location:** Brimley, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Saginaw County

**Project Purpose:** This funding will support the construction of a new Saginaw County Health Department Public Health facility.

**Location:** Saginaw, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Keweenaw Bay Ojibwa Community College

**Project Purpose:** This funding will support the construction of a nursing school at Keweenaw Bay Ojibwa Community College.

**Location:** L'Anse, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Community Mental Health Authority of Clinton, Eaton, and Ingham Counties

**Project Purpose:** This funding will support the creation of a center to treat individuals experiencing acute episodes of mental illness.

**Location:** Lansing, MI

**Amount Requested:** \$1,972,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** St. Clair County Community College

**Project Purpose:** This funding will support the creation of a digital learning space as part of St. Clair County Community College's sciences curriculum.

**Location:** Port Huron, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Kent County

**Project Purpose:** This funding will support the creation of a facility to treat individuals experiencing acute episodes of mental illness.

**Location:** Kent County, MI

**Amount Requested:** \$500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Genesee Health System

**Project Purpose:** This funding will support the creation of a facility to treat individuals experiencing acute episodes of mental illness.

**Location:** Flint, MI

**Amount Requested:** \$500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Delta College

**Project Purpose:** This funding will support the development of curriculum and apprenticeship programming relating to semiconductor production and research.

**Location:** University Center, MI

**Amount Requested:** \$284,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** LARA Bureau of Fire Services

**Project Purpose:** This funding will support the distribution of fire prevention equipment for Michigan residents.

**Location:** Lansing, MI

**Amount Requested:** \$240,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Recipient:** Sanilac County Health Department

**Project Purpose:** This funding will support the establishment of a family resource center, early childhood programming, and essential health services at the Sanilac County Health Department.

**Location:** Sandusky, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Labor, Health and Human Services, Education, and Related Agencies

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Walker

**Project Purpose:** This funding will provide park improvements and benches throughout the park to commemorate 9/11.

**Location:** Kent County, MI

**Amount Requested:** \$250,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Charter Township of Lyon

**Project Purpose:** This funding will provide the replacement of an existing concrete pipe for improvements to the City's drainage system.

**Location:** Charter Township of Lyon, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Hillsdale

**Project Purpose:** This funding will rebuild elements of the city's dilapidated sanitary sewer system and improve access to wastewater treatment operations. .

**Location:** Hillsdale, MI

**Amount Requested:** \$2,197,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Grand Rapids

**Project Purpose:** This funding will rebuild the existing lodge to create a new facility that can provide equitable access to park facilities in the area.

**Location:** Kent, MI

**Amount Requested:** \$5,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Hamtramck

**Project Purpose:** This funding will reconstruct twenty alleyways in the city to improve multimodal transportation options.

**Location:** Wayne, MI

**Amount Requested:** \$965,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Macomb Township

**Project Purpose:** This funding will renovate and expand Fire Station #2.

**Location:** Macomb County, MI

**Amount Requested:** \$900,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Wayne State University

**Project Purpose:** This funding will renovate the building to offer more space, visibility, and updated technology.

**Location:** Detroit, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Northwest Regional Airport Authority

**Project Purpose:** This funding will support Cherry Capital Airport's terminal renovation by funding new ADA accessible and energy efficient facilities.

**Location:** Traverse City, MI

**Amount Requested:** \$1,250,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Gerald R. Ford International Airport Authority

**Project Purpose:** This funding will support Gerald R. Ford International Airport's terminal service and capacity improvements to improve the efficiency of travel and commerce.

**Location:** Grand Rapids, MI

**Amount Requested:** \$5,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Interurban Transit Partnership

**Project Purpose:** This funding will support Grand Rapids' Transit Partnership's design for a new bus station at Trinity Health Campus to improve access to health care in the community.

**Location:** Grand Rapids, MI

**Amount Requested:** \$140,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Holland

**Project Purpose:** This funding will support Phase 1 of the Waterfront Holland project to revitalize the waterfront along Lake Macatawa.

**Location:** Holland, MI

**Amount Requested:** \$3,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** West Branch Community Airport

**Project Purpose:** This funding will support West Branch Community Airport runway and taxiway rehabilitation to improve safety and longevity.

**Location:** West Branch, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Harbor Transit Multi-modal Transportation System

**Project Purpose:** This funding will support a new Harbor Transit Operations Center in Grand Haven to increase capacity and improve service.

**Location:** Grand Haven, MI

**Amount Requested:** \$6,875,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Delta Schoolcraft Intermediate School District

**Project Purpose:** This funding will support a new facility for Delta Schoolcraft ISD Career and Technical Center to expand workforce development programs for students.

**Location:** Delta, MI

**Amount Requested:** \$1,400,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support accessibility improvements to the Spillway Trail, a 1.7-mile-long, 10-foot-wide asphalt shared use pathway within Clinton Township that serves as a significant link within the Macomb County pathway network.

**Location:** Clinton, MI

**Amount Requested:** \$920,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Charter Township of Flint

**Project Purpose:** This funding will support activities in the Flint Township's Economic Development Plan including workforce development, neighborhood stabilization, and housing infrastructure improvements.

**Location:** Flint Township, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Grand Traverse Band of Ottawa and Chippewa Indians

**Project Purpose:** This funding will support affordable housing units for tribal members and their families.

**Location:** Traverse City, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Capital Region Airport Authority

**Project Purpose:** This funding will support architectural and engineering (design) services to replace the Capital Region International Airport's over 60-year-old terminal to improve functionality, accessibility, energy efficiency, and sustainability.

**Location:** Lansing, MI

**Amount Requested:** \$1,520,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support construction of a 2.5 mile long, 10-foot-wide asphalt pathway along Moravian Road in the Clinton Township, allowing more community members to utilize George George Park.

**Location:** Clinton, MI

**Amount Requested:** \$2,400,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Madison Heights

**Project Purpose:** This funding will support construction of a new Active Adult Center at the city's Civic Center complex.

**Location:** Madison Heights, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Gerald R. Ford International Airport Authority

**Project Purpose:** This funding will support construction of a new Air Traffic Control Tower at Grand Rapids' Gerald R. Ford International Airport.

**Location:** Grand Rapids, MI

**Amount Requested:** \$15,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support construction of a roundabout at the Seven Mile and Sheldon Road intersection in Northville to improve safety and mobility.

**Location:** Northville, MI

**Amount Requested:** \$700,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Muskegon Public Schools

**Project Purpose:** This funding will support creation of a grade 6 through 10 Career Exploration Center for Muskegon Public Schools students, enabling a workforce development program to offer skills training and job placement in careers in manufacturing, skilled trades, health care and information technology.

**Location:** Muskegon, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Bedford Charter Township

**Project Purpose:** This funding will support demolition of an old partially condemned fire station and construction of a new fire department to serve the north end of the township and improve public safety.

**Location:** Calhoun County, MI

**Amount Requested:** \$2,150,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Kalkaska County Library

**Project Purpose:** This funding will support efforts to construct a new Kalkaska County Library to improve services and programming for the community.

**Location:** Kalkaska, MI

**Amount Requested:** \$1,100,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Bay de Noc Community College

**Project Purpose:** This funding will support expansion of student housing at Bay de Noc Community College to accommodate student need.

**Location:** Escanaba, MI

**Amount Requested:** \$2,117,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** LARA Bureau of Fire Services

**Project Purpose:** This funding will support fire fighter training efforts as well as enable safety equipment purchases to protect firefighters from carbon monoxide exposure.

**Location:** Ingham, MI

**Amount Requested:** \$746,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support improvements to Carpenter Road between Dort Highway and Bray Road to improve mobility and economic development in the region.

**Location:** Flint, MI

**Amount Requested:** \$760,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support improvements to Glenwood Road in the City of Westland.

**Location:** Westland, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Bay City

**Project Purpose:** This funding will support improvements to James Clements Airport's stormwater pump station to prevent flooding.

**Location:** Bay City, MI

**Amount Requested:** \$290,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support improvements to Jefferson and Clifford Roads to facilitate safer and easier connectivity between the Village of North Branch and Village of Clifford.

**Location:** Lapeer, MI

**Amount Requested:** \$2,409,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support improvements to Red Arrow Highway East of Hartford City Limit to 59.5 Street.

**Location:** Hartford, MI

**Amount Requested:** \$631,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Saginaw Transit Authority Regional Services

**Project Purpose:** This funding will support infrastructure improvements, equipment purchases, and technology enhancements to improve capacity, safety, and service at Saginaw Transit Authority Regional Services, improving transit services for local residents who rely on them every day.

**Location:** Saginaw, MI

**Amount Requested:** \$1,200,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support intersection improvements at 26 Mile and Hayes Road to increase safety and mobility.

**Location:** Macomb Township, MI

**Amount Requested:** \$800,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Wayne

**Project Purpose:** This funding will support investment in equipment and services to improve officers' physical and mental health.

**Location:** Charter County of Wayne, MI

**Amount Requested:** \$85,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Capital Area Transportation Authority

**Project Purpose:** This funding will support investment in zero-emission buses and accompanying infrastructure at the Capital Area Transportation Authority.

**Location:** Lansing, MI

**Project Purpose:** This funding will support the design and construction of the Ox Creek trail.

**Location:** Benton Harbor, MI

**Amount Requested:** \$5,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** The City of Battle Creek, Transit

**Project Purpose:** This funding will support the expansion of county-wide transit options in Calhoun County through the purchase of buses and related transit improvements.

**Location:** Battle Creek, MI

**Amount Requested:** \$1,500,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support the planning and community engagement phase of Detroit's I-75 Overbuild Project which proposes placing a nearly 5 acre cover over I-75 near Cass Corridor that will connect the community to downtown, provide park and trail space, and increase access to economic opportunity.

**Location:** Detroit, MI

**Amount Requested:** \$1,879,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Ann Arbor

**Project Purpose:** This funding will support the planning phase of a proposed 2.75 mile non-motorized path in Ann Arbor.

**Location:** Ann Arbor, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support the planning phase of improvements to US-12/Michigan Avenue corridor in Canton to facilitate the Michigan Avenue Innovation Network (MAIN) project, which aims to make Michigan Avenue the center of a regional hub of next generation technology and mobility.

**Location:** Canton, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support the planning phase to inform the location of a new pedestrian crossing over the I-94 Expressway in Chesterfield Township to protect pedestrians and bicyclists.

**Location:** Chesterfield, MI

**Amount Requested:** \$80,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** The City of Pontiac

**Project Purpose:** This funding will support the redevelopment of vacant public-school sites as part of its neighborhood revitalization program to create safer, healthier, more assessable, and more resilient neighborhoods for Pontiac residents.

**Location:** Pontiac, MI

**Amount Requested:** \$800,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Beecher Community School District

**Project Purpose:** This funding will support the renovation, remodeling, and reopening of a new Beecher High School building to improve facilities and opportunities for students.

**Location:** Genesee, MI

**Amount Requested:** \$2,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Central County Transportation Authority

**Project Purpose:** This funding will support the replacement of Central County Transportation Authority public transit buses.

**Location:** Kalamazoo, MI

**Amount Requested:** \$2,400,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Village of Ortonville

**Project Purpose:** This funding will support the revitalization of an underutilized downtown greenspace in Ortonville.

**Location:** Ortonville, MI

**Amount Requested:** \$20,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** CITY OF INKSTER

**Project Purpose:** This funding will support the update and renovation for the Department of Public Services Facility.

**Location:** INKSTER, MI

**Amount Requested:** \$2,867,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support the widening of Holly Road to three lanes and upgrading it to improve commercial access to the roadway and improve safety.

**Location:** Grand Blanc, MI

**Amount Requested:** \$3,200,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Michigan Department of Transportation

**Project Purpose:** This funding will support widening and improving Ryan Road in Shelby Township to improve mobility and safety.

**Location:** Shelby, MI

**Amount Requested:** \$800,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** Charter Township of Shelby

**Project Purpose:** This funding would support construction of a gymnasium, new parking and site improvements for the Shelby Township Activity and Senior Center.

**Location:** Shelby Township, MI

**Amount Requested:** \$1,000,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies

**Recipient:** City of Sault Ste. Marie

**Project Purpose:** This will fund a roadway on Easterday Avenue at the Seymour and Minneapolis Street intersections.

**Location:** City of Sault Ste. Marie, MI

**Amount Requested:** \$1,532,000

**Subcommittee:** Transportation, Housing and Urban Development, and Related Agencies
