

GARY PETERS

UNITED STATES SENATOR FOR MICHIGAN

Members of Congress are provided with a limited number of tickets to the official Presidential inauguration ceremony. Each member of the Michigan congressional delegation won't know the exact number of tickets available until the Presidential Inaugural Committee provides that information closer to the event. Ticket requests will only be accepted through 5 p.m. EST, Wednesday, November 23, 2016. Any requests made after that deadline will place you on a waiting list. This deadline has been set to allow Michiganders who are attending the Inauguration enough planning time for travel and accommodation arrangements to be made. Making a request is not a guarantee that you will receive tickets.

Tickets to the inauguration ceremony are **ONLY** for the ceremony and cannot be used for the Inaugural Parade, any inaugural balls or other inaugural events. If you do not receive tickets, you should be aware that there will be large sections of the National Mall that will be accessible to the general public; typically, jumbo viewing screens are set up throughout the National Mall. Please note that there are many inauguration events, both official and non-official.

Due to anticipated demand and the limited number of tickets to the event, each request will be limited to four tickets. If your party requires more than four tickets, please submit an additional request under the name of another member of your party; in the additional comments section for both, please note that your party is connected to the other party and use both names so that the requests can be connected. Handicapped access is provided in each section of tickets; therefore, there are no tickets specifically marked as handicapped-accessible.

Tickets to the event are **REQUIRED** for every person attending, including children and infants in arms. Full names and ages must be provided on the request form; make sure to include yourself (or the requesting individual) on the request form. The vast majority of tickets are standing-room only. Please provide an email address that is functional and regularly checked as this will be the primary method of communication with you regarding ticket disposition.

Only one submission is required. Multiple submissions will not improve your chances for tickets and may result in difficulty in fulfilling your request.
