

United States Senate

April 9, 2026

The Honorable Jerry Moran
Chairman
Appropriations Subcommittee on Commerce, Justice,
Science, and Related Agencies
Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

The Honorable Chris Van Hollen
Ranking Member
Appropriations Subcommittee on Commerce,
Justice, Science, and Related Agencies
Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair Moran and Ranking Member Van Hollen:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Commerce, Justice, Science, and Related Agencies Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Gary C. Peters
United States Senator

**Peters, Gary(D-MI) Commerce, Justice and Science
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Regents of the University of Michigan	This funding will support renovation of the University of Michigan's Automotive Laboratory to modernize automotive engineering education and research.	Ann Arbor MI	\$10,250
Pittsfield Charter Township	This funding will support replacement of body-worn cameras that are reaching the end of their useful life.	Ann Arbor MI	\$432
Great Lakes Commission	This funding will support regional coordination and research related to Great Lakes priorities such as water quality, maritime navigation, aquatic invasive species, and coastal management.	Ann Arbor MI	\$3,000
Delta College	This funding will support upgrades to in-building emergency radio coverage and portable radios to improve first responder communications across Delta College's main campus.	Bay County MI	\$325
Benzie County	This funding will support the purchase of a patrol vessel to improve marine law enforcement, emergency response, and port security on Lake Michigan and surrounding waterways.	Benzie County MI	\$500
Calhoun County	This funding will support the purchase of a mobile command vehicle to improve multi-agency coordination during major emergencies and regional incidents.	Calhoun County MI	\$500
University of Michigan-Dearborn	This funding will support physical security improvements that address identified campus safety gaps and strengthen emergency response at the University of Michigan-Dearborn.	Dearborn MI	\$2,128
City of Detroit	This funding will support the development and implementation of a domestic violence and intimate partner violence intervention and prevention strategy in Detroit.	Detroit MI	\$1,000
Detroit Police Department	This funding will support advanced forensic DNA analysis and forensic genetic genealogy to help identify unidentified human remains and support violent crime investigations.	Detroit MI	\$1,200
Regents of the University of Michigan	This funding will support upgrades to the Peach Mountain Observatory for deep-space communications, remote sensing, and space weather research.	Dexter MI	\$2,500
City of Farmington Hills	This funding will support the purchase of a mobile command vehicle and an additional dispatch console to improve coordination during critical incidents.	Farmington Hills MI	\$900
Genesee County	This funding will support replacement and expansion of body-worn and in-car camera systems for the Genesee County Sheriff's Office.	Genesee County MI	\$1,200
