

SUBCOMMITTEE ON FINANCIAL SERVICES AND GENERAL GOVERNMENT:

The Subcommittee on Financial Services and General Government accepts CDS request for four accounts. Projects within this Subcommittee range from projects in support of small businesses; to projects to ensure use of historical records; to repairs/restorations of National Archives facilities; to construction/remediation of federal buildings.

Account #1: Small Business Administration, Administrative Provision

What types of projects are eligible? This account funds projects in support of small business, including but not limited to entrepreneur training, workforce development, counseling, research, and construction or acquisition of facilities.

What additional requirements does this account have?

- Requesters must describe how the project will directly benefit small businesses and/or entrepreneurs at the local, regional, and/or national level.

What are past examples of projects funded within this account?

- \$115,000 for a project to expand entrepreneurial reach across all regions and demographics of a state, including through regional networking and educational programming workshops for would-be entrepreneurs, with a special focus on rural communities, women and minorities.

What is a typical funding amount within this account?

- In FY2023, Congress funded projects under this account ranging from \$50,000 to \$8,000,000. The average award was \$868,162.

Account #2: National Archives and Records Administration, National Historical Publications and Records Commission

What types of projects are eligible? This account funds projects that help ensure online public discovery and use of historical records collections, encourage public engagement with historical records, strengthen the nation's archival network, or public documentary editions of historical records.

What additional requirements does this account have?

- Generally, projects should comply with the eligibility requirements for existing National Historical Publications and Records Commission grants programs as specified at <https://www.archives.gov/nhprc/apply/eligibility.html>.

What are past examples of projects funded within this account?

- \$1.434 million for an effort to expand access to civil rights history.

What is a typical funding amount within this account?

- In FY2023, Congress funded projects under this account ranging from \$55,000 to \$6,000,000. The average award was \$849,018.

Account #3: National Archives and Records Administration, Repair and Restoration

What types of projects are eligible? This account funds projects for the repair, alteration, and improvement of NARA facilities, and to provide adequate storage for holdings.

What additional requirements does this account have?

- Funding can only be used on repair/restoration of a NARA-owned facility.

What are past examples of projects funded within this account?

- \$7.25 million for modernization of an already-existing presidential library.

What is a typical funding amount within this account?

- In FY2023, Congress funded projects under this account ranging from \$6,000,000 to \$7,250,000. The average award was \$6,625,000.

Accounts #4-5: General Services Administration, Federal Buildings Fund, Construction and Acquisition or Repairs and Alterations Accounts

What types of projects are eligible? These accounts fund projects including the construction of federal courthouses or federal buildings. Repairs projects must be federally-owned properties in need of repair or alteration and are typically federal buildings or federal courthouses.

What additional requirements do these accounts have?

- Projects are limited to line items in the GSA Federal Buildings Fund requested by the Administration.
- State and county facilities, DOD facilities, VA facilities, and transportation infrastructure facilities are not eligible under these accounts. Also note that the recently-enacted Infrastructure legislation [IIJA] provided funding to complete all land ports-of-entry projects on GSA planning lists

What are past examples of projects funded within these accounts?

- \$3 million for repairs to a federal courthouse.

What is a typical funding amount within these accounts?

- In FY2023, the average award Congress funded under this account was \$3,000,000.
