The Small Business Owner's Guide to COVID-19 Relief Funding

The programs and initiatives in the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted March 27, 2020, the Paycheck Protection Program and Health Care Enhancement Act enacted on April 24, 2020 and the Paycheck Protection Program Flexibility Act that was signed into law on June 5, 2020 are intended to assist business owners with securing the resources to stay afloat during the Coronavirus pandemic. This guide provides information about the major programs and initiatives that are and will soon be available from the Small Business Administration (SBA) to address these needs, as well as some additional tax provisions that are outside the scope of SBA.

To keep up to date on when these programs become available, please stay in contact with your local Small Business Administration (SBA) District Office, which you can locate [here](#).

Who is eligible for the loans?

Businesses and nonprofits with fewer than 500 employees are generally eligible, with some exceptions. Self-employed workers and gig workers, such as drivers for ride-sharing apps, are also able to apply for loans. Borrowers will need to have been in business as of Feb. 15, 2020, and paid employee salaries and payroll taxes, or paid independent contractors.

- **Capital to cover the cost of retaining employees?** Then the Paycheck Protection Program might be right for you.
- **A quick infusion of a smaller amount of cash to cover you right now?** You might want to look into an Emergency Economic Injury Grant.
- **To ease your fears about keeping up with payments on your current or potential SBA loan?** The Small Business Debt Relief Program could help.
- **Quality, free counseling to help you and your business navigate this uncertain economic time?** SBA's Resource Partners might be your best bet.

Already know what resources you're looking for? The table of contents can direct you to more information about the program or assistance product you need.

GARY PETERS

Paycheck Protection Program (PPP) Loans

The program provides cash-flow assistance through 100 percent federally guaranteed loans to employers who maintain their payroll during this emergency. If employers maintain their payroll, the loans would be forgiven, which would help workers remain employed, as well as help affected small businesses and our economy snap-back quicker after the crisis. PPP has a host of attractive features, such as forgiveness of up to 24 weeks of payroll based on employee retention and salary levels, no SBA fees, and at least six months of deferral with maximum deferrals of up to a year. Small businesses and other eligible entities will be able to apply if they were harmed by COVID-19 between February 15, 2020 and December 31, 2020. This program is retroactive to February 15, 2020, in order to help bring workers who may have already been laid off back onto payrolls. Loans are available through June 30, 2020.

For additional resources, click [here](#).

FREQUENTLY ASKED QUESTIONS

Question: What types of businesses and entities are eligible for a PPP loan?

Answer: ● Businesses and entities must have been in operation on February 15, 2020.

- Small business concerns, as well as any business concern, a 501(c)(3) nonprofit organization, a 501(c)(19) veterans organization, or Tribal business concern described in section 31(b)(2)(C) that has fewer than 500 employees, or the applicable size standard in number of employees for the North American Industry Classification System (NAICS) industry as provided by SBA, if higher.
- Individuals who operate a sole proprietorship or as an independent contractor and eligible self-employed individuals.
- Any business concern that employs not more than 500 employees per physical location of the business concern and that is assigned a NAICS code beginning with 72, for which the affiliation rules are waived.
- Affiliation rules are also waived for any business concern operating as a franchise that is assigned a franchise identifier code by the Administration, and company that receives funding through a Small Business Investment Company.

Question: What are affiliation rules?

Answer: Affiliation rules become important when SBA is deciding whether a business's affiliations preclude them from being considered "small." Generally, affiliation exists when one business controls or has the power to control another or when a third party (or parties) controls or has the power to control both businesses. Please see [this resource](#) for more on these rules and how they can impact your business's eligibility.

U.S. SENATOR GARY PETERS

Question: What types of non-profits are eligible?

Answer:

- In general, 501(c)(3) and 501(c)(19) non-profits with 500 employees or fewer as most non-profit SBA size standards are based on employee count, not revenue. You can check [here](#).

Question: How is the loan size determined?

Answer:

- Depending on your business's situation, the loan size will be calculated in different ways (see below). The maximum loan size is always **\$10 million**.

- **If you were in business February 15, 2019 – June 30, 2019:** Your max loan is equal to 250 percent of your average monthly payroll costs during that time period. If your business employs seasonal workers, you can opt to choose March 1, 2019 as your time period start date.
 - **If you were not in business between February 15, 2019 – June 30, 2019:** Your max loan is equal to 250 percent of your average monthly payroll costs between January 1, 2020 and February 29, 2020.
 - **If you took out an Economic Injury Disaster Loan (EIDL) between February 15, 2020 and June 30, 2020** and you want to refinance that loan into a PPP loan, you would add the outstanding loan amount to the payroll sum.
-

Question: What costs are eligible for payroll?

- Answer:
 - Compensation (salary, wage, commission, or similar compensation, payment of cash tip or equivalent)
 - Payment for vacation, parental, family, medical, or sick leave
 - Allowance for dismissal or separation
 - Payment required for the provisions of group health care benefits, including insurance premiums
 - Payment of any retirement benefit
 - Payment of State or local tax assessed on the compensation of employees
-

Question: What costs are not eligible for payroll?

- Answer:
 - Employee/owner compensation over \$100,000
 - Taxes imposed or withheld under chapters 21, 22, and 24 of the IRS code
 - Compensation of employees whose principal place of residence is outside of the U.S.
 - Qualified sick and family leave for which a credit is allowed under sections 7001 and 7003 of the [Families First Coronavirus Response Act](#)

**U.S. SENATOR
GARY PETERS**

Question: What are allowable uses of loan proceeds?

Answer: Payroll costs (as noted above)

- Costs related to the continuation of group health care benefits during periods of paid sick, medical, or family leave, and insurance premiums
 - Employee salaries, commissions, or similar compensations (see exclusions above)
 - Payments of interest on any mortgage obligation (which shall not include any prepayment of or payment of principal on a mortgage obligation)
 - Rent (including rent under a lease agreement)
 - Utilities
 - Interest on any other debt obligations that were incurred before the covered period
-

Question: What are the loan term, interest rate, and fees?

Answer: All loans under this new expansion will have the following identical features:
Interest rate of 1%

- Maturity of 5 years
 - First payment deferred for six months
 - 100% guarantee by SBA
 - No collateral
 - No personal guarantees
 - No borrower or lender fees payable to SBA
-

Question: How is the forgiveness amount calculated?

Answer: Forgiveness on a covered loan is equal to the sum of the following payroll costs incurred during the covered 24 week period compared to the previous year or time period, proportionate to maintaining employees and wages (excluding compensation over \$100,000):

- Payroll costs plus any payment of interest on any covered mortgage obligation (not including any prepayment or payment of principal on a covered mortgage obligation) plus any payment on any covered rent obligation plus and any covered utility payment.

U.S. SENATOR GARY PETERS

Question: How do I get forgiveness on my PPP loan?

- Answer:
- You must apply through your lender for forgiveness on your loan. In this application, you must include:
 - Documentation verifying the number of employees on payroll and pay rates, including IRS payroll tax filings and State income, payroll and unemployment insurance filings.
 - Documentation verifying payments on covered mortgage obligations, lease obligations, and utilities.
 - Certification from a representative of your business or organization that is authorized to certify that the documentation provided is true and that the amount that is being forgiven was used in accordance with the program's guidelines for use.
-

Question: What happens after the forgiveness period?

- Answer:
- Any loan amounts not forgiven are carried forward as an ongoing loan with max terms of 10 years, at a maximum interest rate of 4%. Principal and interest will continue to be deferred, for a total of 6 months to a year after disbursement of the loan. The clock does not start again.
-

Question: Can I get more than one PPP loan?

- Answer:
- No, an entity is limited to one PPP loan. Each loan will be registered under a Taxpayer Identification Number at SBA to prevent multiple loans to the same entity.
-

Question: Where should I go to get a PPP loan from?

- Answer:
- All current SBA 7(a) lenders (see more about 7(a) here) are eligible lenders for PPP. The Department of Treasury will also be in charge of authorizing new lenders, including non bank lenders, to help meet the needs of small business owners.
-

Question: How does the PPP loan coordinate with SBA's existing loans?

- Answer:
- Borrowers may apply for PPP loans and other SBA financial assistance, including Economic Injury Disaster Loans (EIDLs), 7(a) loans, 504 loans, and microloans, and also receive investment capital from Small Business Investment Corporations (SBICs). However, you cannot use your PPP loan for the same purpose as your other SBA loan(s). For example, if you use your PPP to cover payroll for the 8-week covered period, you cannot use a different SBA loan product for payroll for those same costs in that period, although you could use it for payroll not during that period or for different workers.

Question: How does the PPP loan work with the temporary Emergency Economic Injury Grants

Answer: ● **and the Small Business Debt Relief program?**

Emergency Economic Injury Grant and Economic Injury Disaster Loan (EIDL) recipients and those who receive loan payment relief through the Small Business Debt Relief Program may apply for and take out a PPP loan as long as there is no duplication in the uses of funds. Refer to those sections for more information.

Small Business Debt Relief Program

This program will provide immediate relief to small businesses with non-disaster SBA loans, in particular 7(a), 504, and microloans. Under it, SBA will cover all loan payments on these SBA loans, including principal, interest, and fees, for six months. This relief will also be available to new borrowers who take out loans within six months of the President signing the bill into law.

Question: Which SBA loans are eligible for debt relief under this program?

Answer: ● 7(a) loans not made under the Paycheck Protection Program (PPP), 504 loans, and microloans. Disaster loans are not eligible (see p. 7 for more information on these).

Question: How does debt relief under this program work with a PPP loan?

Answer: ● Borrowers may separately apply for and take out a PPP loan, but debt relief under this program will not apply to a PPP loan.

Question: How do I know if I'm eligible for a 7(a), 504, or microloan?

Answer: ● In general, businesses must meet size standards, be based in the U.S., be able to repay, and have a sound business purpose. To check whether your business is considered small, you will need your business's 6-digit North American Industry Classification System (NAICS) code and 3-year average annual revenue. Each program has different requirements, see <https://www.sba.gov/funding-programs/loans> for more details.

Question: What is a 7(a) loan and how do I apply?

Answer: ● 7(a) loans are an affordable loan product of up to \$5 million for borrowers who lack credit elsewhere and need access to versatile financing, providing short-term or long-term working capital and to purchase an existing business, refinance current business debt, or purchase furniture, fixtures and supplies. In the program, banks share a portion of the risk of the loan with SBA. There are many different types of 7(a) loans, you can visit [this site](#) to find the one that's best for you. You apply for a 7(a) loan with a bank or a mission-based lender. SBA has a free referral service tool called [Lender Match](#) to help find a lender near you.

Question: What is a 504 loan and how do I apply?

Answer: ● The [504 Loan Program](#) provides loans of up to \$5.5 million to approved small businesses with long-term, fixed-rate financing used to acquire fixed assets for expansion or modernization. It is a good option if you need to purchase real estate, buildings, and machinery. You apply through a Certified Development Company, which is a nonprofit corporation that promotes economic development. SBA has a free referral service tool called [Lender Match](#) to help find a lender near you.

Question: What is a microloan and how do I apply?

Answer: ● The [Microloan Program](#) provides loans up to \$50,000 to help small businesses and certain not-for-profit childcare centers to start up and expand. The average microloan is about \$13,000. These loans are delivered through mission-based lenders who are also able to provide business counseling. SBA has a free referral service tool called [Lender Match](#) to help find a microlender near you.

Question: I am unfamiliar with SBA loans, can anyone help me apply?

Answer: ● Yes, SBA resource partners are available to help guide you through the loan application process. You can find your nearest Small Business Development Center (SBDC) or Women's Business Center [here](#).

Economic Injury Disaster Loans & Emergency Economic Injury Grants

These grants provide an emergency advance of up to \$10,000 to small businesses and private non-profits harmed by COVID-19 within three days of applying for an SBA Economic Injury Disaster Loan (EIDL). To access the advance, you first apply for an EIDL and then request the advance. The advance does not need to be repaid under any circumstance, and may be used to keep employees on payroll, to pay for sick leave, meet increased production costs due to supply chain disruptions, or pay business obligations, including debts, rent and mortgage payments.

Question: Are businesses and private non-profits in my state eligible for an EIDL related to COVID-19?

Answer: **19?**
Yes, those suffering substantial economic injury in all 50 states, DC, and the territories may apply for an EIDL.

Question: What is an EIDL and what is it used for?

Answer: EIDLs are lower interest loans of up to \$2 million, with principal and interest deferment at the Administrator's discretion, that are available to pay for expenses that could have been met had the disaster not occurred, including payroll and other operating expenses.

**U.S. SENATOR
GARY PETERS**

Question: Who is eligible for an EIDL?

Answer: Those eligible are the following with 500 or fewer employees:

- Sole proprietorships, with or without employees
- Independent contractors
- Cooperatives and employee owned businesses
- Tribal small businesses

Small business concerns and small agricultural cooperatives that meet the applicable size standard for SBA are also eligible, as well as most private non-profits of any size. See below for more info on size standards.

Question: My private non-profit is not a 501(c)(3). Is it still eligible for an EIDL and a grant?

Answer: Yes, if you are a private non-profit with an effective ruling letter from the IRS, granting tax exemption under sections 501(c), (d), or (e) of the Internal Revenue Code of 1954, or if you can provide satisfactory evidence from the State that the non-revenue producing organization or entity is a non-profit one organized or doing business under State law. However, a recipient that is principally engaged in teaching, instructing, counseling, or indoctrinating religion or religious beliefs, whether in a religious or secular setting, or primarily engaged in political or lobbying activities is not eligible to receive an EIDL. If you are uncertain whether you qualify, please consult with legal counsel to determine whether your organization meets program criteria.

Question: Who is eligible for an Emergency Economic Injury Grant?

Answer: Those eligible for an EIDL and who have been in operation since January 31, 2020, when the public health crisis was announced.

Question: How long are Emergency Economic Injury Grants available?

Answer: January 31, 2020 – December 31, 2020. The grants are backdated to January 31, 2020 to allow those who have already applied for EIDLs to be eligible to also receive a grant.

Question: If I get an EIDL and/or an Emergency Economic Injury Grant, can I get a PPP loan?

Answer: Whether you've already received an EIDL unrelated to COVID-19 or you receive a COVID-19 related EIDL and/or Emergency Grant between January 31, 2020 and June 30, 2020, you may also apply for a PPP loan. If you ultimately receive a PPP loan or refinance an EIDL into a PPP loan, any advance amount received under the Emergency Economic Injury Grant Program would be subtracted from the amount forgiven in the PPP. However, you cannot use your EIDL for the same purpose as your PPP loan. For example, if you use your EIDL to cover payroll for certain workers in April, you cannot use PPP for payroll for those same workers in April, although you could use it for payroll in March or for different workers in April.

U.S. SENATOR
GARY PETERS

Question: How do I know if my business is a small business?

Answer: Please visit <https://www.sba.gov/size-standards/> to find out if your business meets SBA's small business size standards. You will need the 6-digit North American Industry Classification Code for your business and your business's 3-year average annual revenue.

Question: How do I apply for an economic injury disaster loan?

Answer: To apply for an EIDL online, please visit <https://disasterloan.sba.gov/ela/>. Your [SBA District Office](#) is an important resource when applying for SBA assistance.

Question: I am unfamiliar with the EIDL process, can anyone help me apply?

Answer: Yes, SBA resource partners are available to help guide you through the EIDL application process. You can find the nearest Small Business Development Center (SBDC), Women's Business Center, or SCORE mentorship chapter at <https://www.sba.gov/local-assistance/find/>.

Counseling & Training

If you, like many small business owners, need a business counselor to help guide you through this uncertain time, you can turn to your local Small Business Development Center (SBDC), Women's Business Center (WBC), or SCORE mentorship chapter. These resource partners, and the associations that represent them, will receive additional funds to expand their reach and better support small business owners with counseling and up-to-date information regarding COVID-19. There will soon be a joint platform that consolidates information and resources related to COVID-19 in order to provide consistent, timely information to small businesses. To find a local resource partner, visit <https://www.sba.gov/local-assistance/find/>.

In addition, the Minority Business Development Agency's Business Centers (MBDCs), which cater to minority business enterprises of all sizes, will also receive funding to hire staff and provide programming to help their clients respond to COVID-19. Not every state has a MBDC. To find out if there is one that services your area, visit [this site](#).

Question: Do I have to pay for counseling and training through SBDCs, WBCs, and MBDCs?

Answer: Counseling is free and training is low-cost with these partners. The additional funds that Congress provided will help keep this possible. Mentorship through SCORE is always free.

Question: What is a SBDC?

Answer: SBDCs are a national network of nearly 1,000 centers that are located at leading universities, colleges, state economic development agencies and private partners. They provide counseling and training to new and existing businesses. Each state has a lead center that coordinates services specifically for that state, which you can find by clicking the link above. To find out more about SBDCs, visit <https://americassbdc.org/about-us/>.

U.S. SENATOR
GARY PETERS

Question: What is a WBC; is it only for women?

Answer: WBCs are a national network of more than 100 centers that offer one-on-one counseling, training, networking, workshops, technical assistance and mentoring to entrepreneurs on numerous business development topics. In addition to women, WBCs are mandated to serve the needs of under-served entrepreneurs, including low-income entrepreneurs. They often offer flexible hours to meet the needs of their diverse clientele. To find out more about WBCs, visit <https://www.awbc.org/>.

Question: What is SCORE?

Answer: SCORE provides free, confidential business advice through our volunteer network of 10,000+ business experts. You can meet with a mentor online. Find out more [here](#).

Question: Who do MBDCs serve?

Answer: MBDCs are a good option for minority-owned businesses (including those owned by Black, Hispanic, Asian American/Pacific Islander, and American Indian business owners), especially those seeking to penetrate new markets — domestic & global — and grow in size and scale.

Contracting

If you are a government contractor, there are a number of ways that Congress has provided relief and protection for your business. Agencies will be able to modify terms and conditions of a contract and to reimburse contractors at a billing rate of up to 40 hours per week of any paid leave, including sick leave. The contractors eligible are those whose employees or subcontractors cannot perform work on site and cannot telework due to federal facilities closing because of COVID-19.

If you need additional assistance, please reach out to [your](#) local Small Business Development Center, Women's Business Center, SCORE chapter, or SBA District Office. You should also work with your agency's contracting officer, as well as the agency's Office of Small and Disadvantaged Business Utilization (OSDBU).

Small Business Tax Provisions

Employee Retention Credit for Employers Subject to Closure or Experiencing Economic Hardship

This provision would provide a refundable payroll tax credit for 50 percent of wages paid by eligible employers to certain employees during the COVID-19 crisis. The credit is available to employers, including non-profits, whose operations have been fully or partially suspended as a result of a government order limiting commerce, travel or group meetings. The credit is also provided to employers who have experienced a greater than 50 percent reduction in quarterly receipts, measured on a year-over-year basis.

U.S. SENATOR
GARY PETERS

Wages of employees who are furloughed or face reduced hours as a result of their employer's closure or economic hardship are eligible for the credit. For employers with 100 or fewer full-time employees, all employee wages are eligible, regardless of whether an employee is furloughed. The credit is provided for wages and compensation, including health benefits, and is provided for the first \$10,000 in wages and compensation paid by the employer to an eligible employee. Wages do not include those taken into account for purposes of the payroll credits for required paid sick leave or required paid family leave, nor for wages taken into account for the employer credit for paid family and medical leave (IRC sec. 45S).

Delay of Payment of Employer Payroll Taxes

This provision would allow taxpayers to defer paying the employer portion of certain payroll taxes through the end of 2020, with all 2020 deferred amounts due in two equal installments, one at the end of 2021, the other at the end of 2022. Payroll taxes that can be deferred include the employer portion of FICA taxes, the employer and employee representative portion of Railroad Retirement taxes (that are attributable to the employer FICA rate), and half of SECA tax liability.
